

## SUFFRAGISTS WIN ANOTHER POINT IN TENNESSEE

Lower House of Legislature  
Tables a Resolution Intended  
to Delay Ratification.

(Special to The Evening World.)  
NASHVILLE, Tenn., Aug. 12.—Another point was won to-day by the suffragists in the lower house of the Tennessee Legislature. A resolution which questioned the constitutionality of ratification, introduced by Representative Story of White County, and which would have deferred a vote until next January, was tabled by a viva voce vote.

Yesterday a similar attempt to prevent the present ratification was defeated in the House by a vote of 50 to 37. It is now predicted that the ratification resolution will surely be adopted.

To-night at the joint session of the

committee of the two Houses for a hearing, Miss Charlotte Rowe, the gifted speaker of the anti, will protest against ratification. The ratificationists will have some man answer her as they have no woman equal to the task. Leading members of the House and Senate who favor Suffrage will appear before the committee and urge a favorable report. The hearings promise to be spectacular and interesting; it will be a battle of words between the red rose and the golden glow, the flowers of the anti and the Suffragists.

### North Carolina Legislators Send Protest to Tennessee.

RALEIGH, N. C., Aug. 12.—Sixty-three of the 120 members of the North Carolina House of Representatives last night sent a telegram to the Tennessee Legislature assuring that body that North Carolina would not ratify the Federal Suffrage Amendment and asking Tennessee not to force the amendment on the people of North Carolina.

If the sixty-three signers of the telegram vote in accordance with their expressed views, the amendment will be defeated in the House by six votes. Suffragists were optimistic and declared they expected the amendment to be ratified.

Representative Grier and Senator Warren, anti leaders in the House and Senate, said their faction had gained four additional votes in the House. Gov. Bickett had intended to send a suffrage message to the Legislature to-day, but announced it would not be finished before to-morrow.

### CHOP SUEY SAFE CRACKED.

Thief Who Riffled It Solved Mystery of Combination.

The atmosphere in the Celestial restaurant was the reverse of celestial when Goon Wah Kwoon, head waiter, opened the safe this morning to supply the cash register with change.

The reason for the barometric change was the fact that Kwoon was not the first to open the safe. Somebody had preceded him, taking \$300 and \$700 worth of jewelry belonging to the boss. It was not a safe-cracking job. The thief had solved the mystery of the combination.

Detective Edward England has been assigned to the case and has made notable progress. He has discovered that the restaurant is at No. 164 West 125th Street.
